

Hi Soon-To-Be Grade 7 Families,

As your child transitions to junior high, they will be required to bring their own school supplies to school. In order to be successful, organized and prepared for learning, we would like to request that your child comes prepared for the following:

- 2x 2 inch binders
- 1x graph paper notebook with three holes (to put in a binder)
- 4x duotangs
- 2x packages of graphing paper
- 5x packages of lined paper
- 1x package of dividers (for binders)
- 1 geometry set
- A pencil case that contains:
 - Package of pencil crayons
 - Package of fine-tipped markers
 - Package of 25 pencils (or mechanical pencils, if they choose)
 - Pencil sharpener
 - Glue stick
 - Highlighters
 - Whiteboard markers

To support your child's organizational skills, please have them label all materials prior to the start of school.

We are so excited for September already!
