YTC Calgary is a professional school for stage training and performance, offering opportunities for students with beginner, intermediate, and advanced experience. There is no cost to audition. If selected to be a part of the program, there is a tuition fee. Financial assistance can be applied for on the form that is provided if awarded a callback audition. We are facilitating two programs, and, if selected, students have the option to choose either Saturdays (2-5pm) or Sundays (1-4pm), not both. The program culminates in our Fall Showcase with performances planned for mid-December. Instructors will work with families as needed to establish a carpool for students from the Greater Calgary Area.
